Perjury Unreasonable Denial

Judge Walker ^{CV-1209}
(Taylor V. Rogers)

As of Jan. 13, 2006 Judge Susan Russ Walker denied my IFP on the grounds this complaint be dismissed, but this is not a final order.

But on Feb. 2006 Judge Susan Russ Walker denied my IFP on the grounds that I have (3) dismissals (strikes) when in actually I have only (2) strikes and she denied my IFP on Defs. Paul Whatley et.al.

I was advised by the court that this is not a final order, so their was (CV-1209)
no reason to deny my IFP on the status that I already had (3) strikes.
I don't know how, or why this happen but maybe the filings of a Judge complaint form I will get answers and get to the bottom of how Judge Walker knew that she only had recommendation status not final order, but she illegally denied I the Plaintiff of my IFP status and she knew this.

Due to the fact that I'm contesting the illegal scoring (Security Level) and transfer, etc...
(med. Level 4 to Maximum level 6)

Done this Feb. 21, 2006

Respectfully Submitted,
Kurt Taylor
